SPRING BREAK MISSION

QUEST RANCH, TEXAS  
March 25-31, 2012

## QUEST RANCH, TEXAS MARCH 25-31, 2012

**Location:** Quest Ranch is located on 30-acres in the heart of the Texas Hill Country about 30 minutes northwest of New Braunfels just off FM 306. Easy to find from any point in Texas, our facility is on a ridge overlooking beautiful Canyon Lake near the corner of Potters Creek Road and Cedar Rise Drive.

**Lodging:** Air conditioned dorms provide comfortable bunk bed sleeping arrangements. Our central bath house is a short walk from the dorms. Both main dorms are wrapped with a spacious deck that provides a restful view of the lake and gorgeous sunsets. Open-air, covered decks and pavilions provide rustic areas for study and teaching.

**Meals:** All meals are prepared outdoors over open-flame. We know our campers look for good, tasty meals and that's what we provide. The open air dining area gives you an authentic country dining experience.
